

Dear Parents/Community Member,

Each year, we have many children on our waiting list trying to register in our school. Currently, there are more than 500 students on the waiting list. I frequently receive calls from parents asking if there is any way their child can be enrolled at Christopher Columbus Charter School.

Several years ago we purchased the vacant Sacred Heart Elementary School building located at Reed and Moyamensing with the vision of expanding our campus to a third site so that we might address the high interest and strong desire of many families for a high quality education. Our goal is to renovate that building and open it with grades 6-8 in September, 2018. Grades K-3 will remain at 9th Street and grades 4-5 will be held at 13th Street. This expansion will enable us to add a fifth section at each grade level over a five year period with an increased enrollment of 328 students. Class size will increase in some sections but will not exceed 27 students, the size of our kindergarten and first grade sections for the 2017-18 school year. There will be very little impact on the educational outcome for your child.

As always, your input is very important to us and we hope you will return, mail or email this survey to school by July 24, 2017. Thank you for your support and cooperation. CCCS wouldn't be the wonderful school that it is without you.
